OCEA's mission is to help attract, retain, and expand existing businesses by providing business development and resources throughout Otsego County. Lisa McComb, the new Executive Director of OCEA stated, "I am finding that many people are not aware that the Otsego County Economic Alliance is a 501 (c)(3). As OCEA's only fundraiser, this event is important in building the foundation of our nonprofit organization to continue to provide economic development services." Proceeds from this charitable event go directly to OCEA to assist with providing economic development programs and services to businesses of all sizes within our county.

McComb is thankful for the support of local businesses like Aggressive Manufacturing Innovations, Inc. out of Lewiston, Go North Properties, LLC and Treetops Resort & Spa who are all sponsoring the event.
